Loong Chay Wen

Computer Science Undergraduate | Artificial Intelligence

INTERNSHIP PERIOD

4 Jan - 23 Apr 2027

Malaysia | +60 12-876 3813 | nicoleloong0802@gmail.com

LinkedIn / GitHub

Computer Science undergraduate specializing in Artificial Intelligence at APU, with experience in backend APIs, front-end development and team integration. Seeking an AI-related IT internship in software development and automation.

EDUCATION

Asia Pacific University of Technology & Innovation (APU)

Bachelor of Computer Science (Hons) (Artificial Intelligence)

Mar 2025 - Present | Expected graduation: late 2027

TECHNICAL SKILLS

Languages: Python, Java, C#, JavaScript, SQL, HTML/CSS

Development: FastAPI, Windows Forms, Java Swing, SQL Server

Tools & platforms: Git/GitHub, Render

SELECTED PROJECTS

Shipping Document Verification System

2026

Backend Developer | Averis x Monash Hackathon

- Implemented OAuth authorization and email retrieval for Gmail and Outlook using Python/FastAPI; added Gmail-based response sending.
- Deployed the team's backend prototype on Render for the hackathon demonstration.

Lexi-Lens - AI Reading Companion

Feb-Mar 2026

Front-End Contributor | Gemini Live Agent Challenge

- Built a split-screen reading interface using HTML, CSS and JavaScript, with a reading ruler, bionic text and adjustable font sizes.
- Collaborated on a team application integrating Gemini Live and vision capabilities.

Automotive Service Centre Management System

Java Swing | Counter Staff, Shared Features & UI Integration

- Developed Counter Staff and shared functionality; coordinated the overall UI and integrated teammates' modules.

Internship Management System

C# / SQL Server | Admin, Shared Features & UI Integration

- Developed the Admin module and shared features; handled visual UI and integrated the team's role-based modules.

EXPERIENCE

Creative Designer & Administrative Support

2026 - Present

Part-time | U.S.-based company

Create packaging designs, photo edits and visual content; manage revisions and deadlines, and support administrative coordination.
